London, Feb. 11.—The sporting and other newspapers comment, mostly in terms of ridicule, on the sorry display that Palmer made against Burns. The latter after the contest said that neven in his life had he had such an easy fight. Palmer did not attempt to make any explanation of his defeat, saying merely that he must conclude that his days as a fighter were ended, and adding that he would quit the ring as a principal forever.

London, Feb. 10.—Tommy Burns, the American heavyweight pugilist, tonight knocked out Jack Palmer of Newcastle,

biskets and seven points from free throws. It is the intention to confine the race to those countries directly benefited by the discoveries of Columbus. The referee might have given a decision in the first minute of the contest, as Palmer was a beaten man from the moment he entered the ring. Burns climbed under the ropes smilingly and showing his customary confidence, while Palmer displayed great nervousness.

Beat in First Round.

Without any preliminary sparring Burns went after him, and the first round had hardly begun before the Englishman was on his knees. He took the count twice, and during the rest of the round was busily engaged in covering himself. This was repeated in each of the other rounds, Palmer being hopelessly outclassed and a good field in the fourth race. CURES

The aches and pains of Rheumatism are only symptoms which may be scattered or relieved with liniments, plasters, blisters, etc., or quieted with opiates. As soon, however, as the treatment is left off or there is any exposure to dampness or cold, or an attack of indigestion, or other physical irregularity, the aggravating pains, swollen joints and tender places on the flesh return, and the sufferer finds that he has merely checked the symptoms, while the real cause remained in the blood. Rheumatism is due to a too acid condition of the blood, brought on by indigestion, chronic constipation, weak kidneys, and a general sluggish condition of the system. This acid circulating in the blood produces the pains, aches, and other disagreeable symptoms of Rheumatism. S. S. S., a purely vegetable remedy, cures Rheumatism by going down into the circulation and driving out the cause and making this life-stream pure, rich and healthy. When the blood has been cleansed of the irritating, pain-producing acids by S. S. S., the pains and aches cease, the muscles become soft and pliable, the health is built up, and Rheumatism completely and permanently cured. Book on Rheumatism and any medical advice free to all who write.

Shoot.

(Special to The Herald.)

Eureka, Utah, Feb. 19.—About 150 gunners from Tintic went on a special train yesterday over the San Pedro road to a point a few miles north of Lynn Junction to hunt rabbits. There were about 115 guns from Eureka and about thirty-five from Mammoth and Robinson. The hunters report a most successful shoot, more than 2,500 bunnies being slaughtered. This is the official count. Frank Brinton asserts that this is greatly underestimated, stating that he himself killed 145. John Vance is next, with 140.

A number of women accompanied the hunters and made things comfortable in the car. When the hunters returned to the train for lunch they found everything arranged in a very tasteful manner and the piping hot coffee was splendid. The meet this year, but instead would be giv-en an invitation to enter the state high school meet.
